1. At a recent meeting in Washington of KUBARK officers with QKFLOWAGE it was suggested that the QKFLOWAGE representative in the WAVE area might provide technical assistance for AMBUU's propaganda program. It was the consensus that such assistance might be helpful to AMBUU, and the KUBARK officers saw no security objection so long as the assistance is limited to technical advice or services and does not include financial support.

2. It is recommended that PASSAVOY suggest to AMBUD-1 that he consider getting in touch with Identity, the QMFLOWAGE representative.
